App publishers, you
know there are some
variables that you
just *can't* control.

The good news?
Legislation is a variable
you can influence.

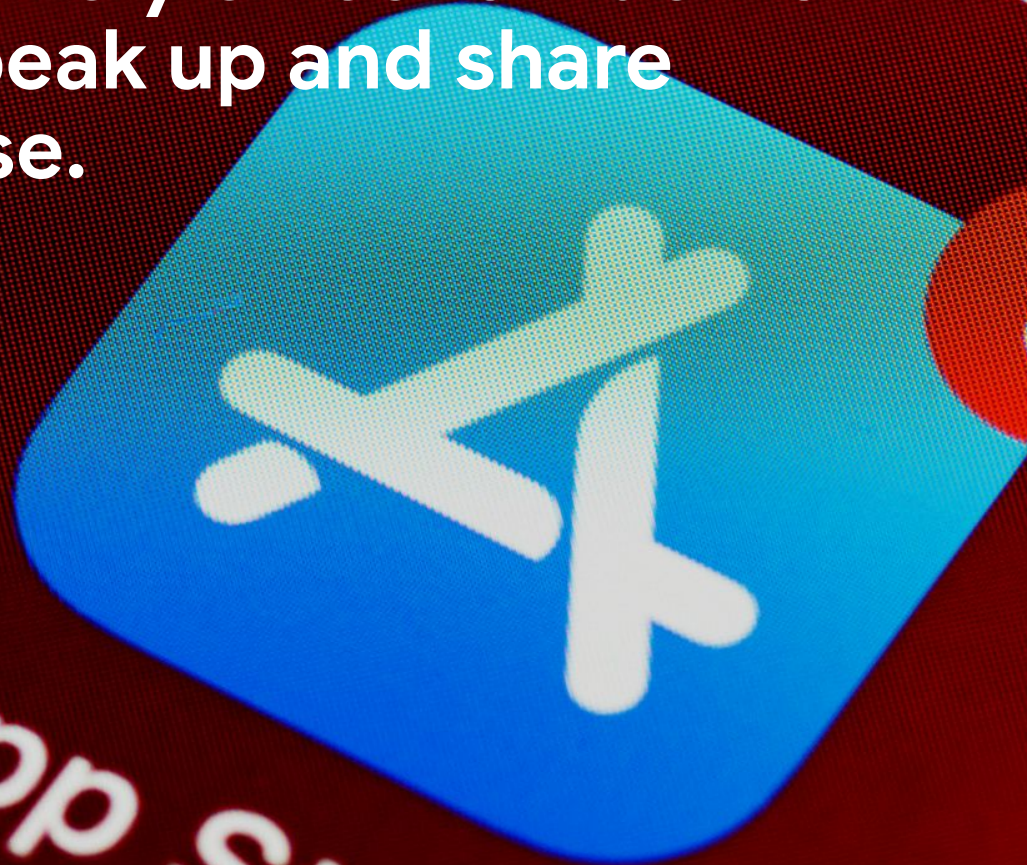

A close-up photograph of a person's hand with red, glittery nail polish holding a smartphone. The phone's screen is lit up, showing a grid of colorful app icons. In the background, a robotic hand is visible, holding a brown leather strap. The scene is dimly lit with a blue and purple color cast.

Millions of people carry a
super-computer in their
pocket - many include *your*
software.

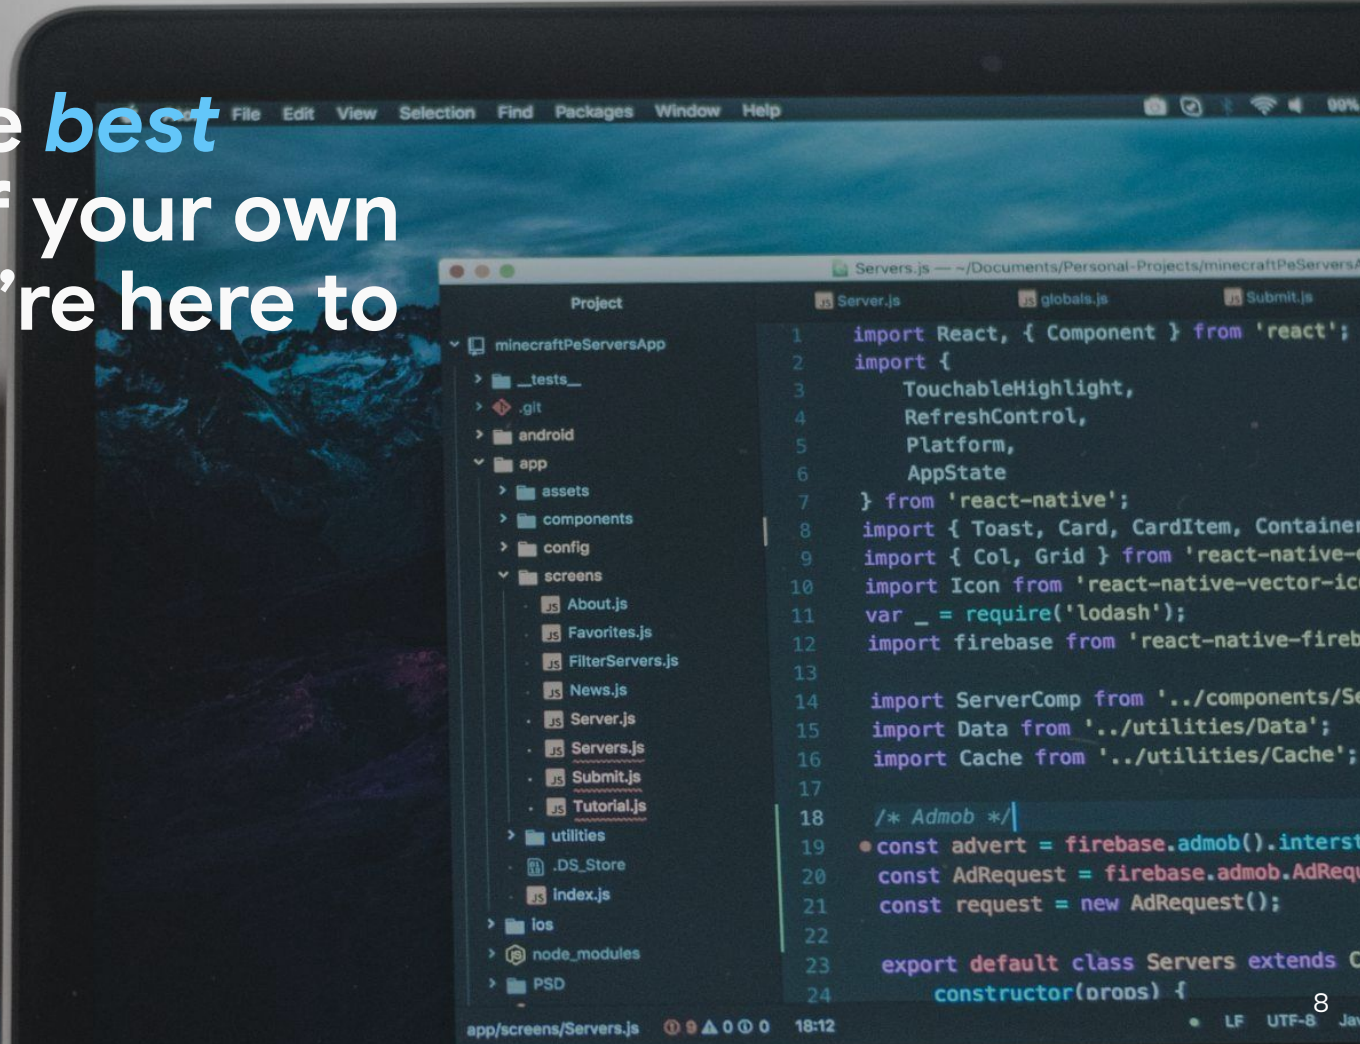

There are several proposed bills that, if passed, would impact **everyone** in this room.

Policymakers rely on constituents like **you** to speak up and share your expertise.

You are the **best** narrator of your own story – we're here to help.

There are so many ways to **get involved**:

- Sending an email or letter to your lawmakers
- Writing an opinion article for your local newspaper
- Meeting with your representatives

**Ready to make your voice
heard to policymakers?**

Visit us at our table to get involved today.

Thank you!
